## Running for PASS President

### WHY PRESIDENT?

Participating in PASS for the past academic year not only provided me with a sense of HK community away from home, but also encouraged me to step outside my comfort zone through participating in the exceptional variety of flagship events across universities.

I am running for president in hopes of giving back to this dynamic community. I hope to improve PASS by fostering an inclusive, engaging community for the next cohort. Not only do I aim to provide opportunities to form lifelong friendships, but also offer more varied career guidance & academic support for Imperial HK students.
