

Vote for Azra Bakery for Social Media Officer

If I am not asleep in my lectures, I'm on my phone... but for a valid reason. I am just that keen on making sure that I have all the latest updates from @iclaxofficial. With my infamous digital camera during lax socials, I capture the best action shots of fellow lax players in the wild (reynolds or slug). You may also see me capturing people in action on the pitch too. A large chunk of my memory on my phone is dedicated to pics from lax, and if that doesn't show commitment I don't know what will.

I am passionate about lax being the best influencer amongst all the IC sports. If I am elected I would aim to have weekly updates as well as posts and videos from our socials, working closely with the secretary and social secs. With me as Social Media Officer, we will be the best laxfluencer, not just in London (better than LSE) but everywhere.

If I still haven't convinced you, I have a food blog which demonstrates how chronically online I am (not sure if that's good or bad), check out @tastethesizzles on insta (shameless plug). Thank you for reading my manifesto :)
