

My CGCU Ideas!

Alan

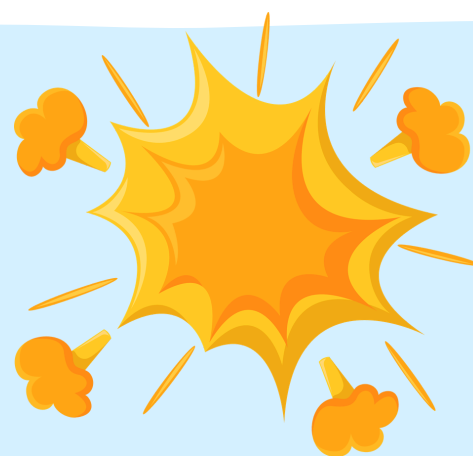

The Great CGCU Mix-Up

Students are randomly assigned to teams across engineering disciplines and year groups to compete in challenges and socialise, making it easy to meet new people without needing an existing friend group.

The Engineering Cup

An annual, year-round competition where engineering departments compete in challenges that test knowledge, teamwork and interdisciplinary spirit.

The CGCU Passport

Students collect stamps by attending free CGCU socials to unlock prizes and enter merchandise draws, encouraging participation across a range of events and social preferences.

If any of these ideas sound like a little bit about you, why wait and vote now!
