My objectives...

- **Internship applications** 📁 Better prepare you for applications to internships and grad jobs in VC, PE, PC, RX, IBD (Financial Sponsors Group) + more!
- **In-house workshops** 🍳 on CVs, financial modelling, presentation skills and more!
- **Education** 🧠🎓 Introducing new areas of private markets e.g. distressed debt, securitised products, special situations, private credit and so much more!
- **Networking** 🤝 Organising a greater number and variety of events to showcase your skills (on-campus events, office visits in London, UK & Europe Restructuring competition and much more!)

“Taking you to the next level!”

ENDORSEMENTS

Isaac Chu

“Revered and experienced, Ahmad has spearheaded the development of multiple societies across Imperial. A culture of excellence with a genuine care for the betterment of the community follows wherever he goes, I have no doubt his track record of success will continue in VCPE.”

Grace Kwon

“Ahmad is so incredibly hardworking, capable and dedicated towards helping the society. He genuinely cares about creating opportunities to students, whether through competitions, networking events or technical training.”

Adam Snelling

“It has been a pleasure working with Ahmad during my time at the Algorithmic Trading and Investment societies. His work ethic and dedication to improving student opportunities has had an incredibly positive impact on our members. I have no doubt that he will excel in this role.”
