

What are your plans as an education officer?

It depends on YOUR journey in Medical School!

PHASE 1B

Supporting you for **year 2 exams** in global health-related topics such as **epidemiology and global health governance**, alongside LMAP society.

1

2

PHASE 1C

Giving you a **thorough overview** of the Global Health BSc to help you in your choices for Phase 2.

3

PHASE 2 STUDENTS - ICAS

Helping you with **ICA 1-ICA 5**, by organising tutorials delivered by **Global Health alumni** in how to **score well**, and finish the **projects efficiently**.

4

GH PROJECT SELECTION

Giving you **timely advice** on how to choose your BSc project wisely, according to gathered **experience** and feedback from **Global Health alumni**.

5

GH PROJECT SUPPORT

Helping you at the start and throughout your project by giving you **research design-specific advice** through tutorials given by **GH alumni**.

6

REST OF YOUR MEDICAL SCHOOL JOURNEY

Supporting other committee members in the role to further expand the society, and **keep working on new and existing projects** for you, such as a **Global Health careers fair**.
