

VOTE ANNA

FOR BIOSOC'S NEXT PUBLICITY OFFICER

Who tf is Anna?

I'm a first year bio student from Ireland. And I love design almost as much as I love biology.

Why am I running for publicity officer?

- #1. Build more event hype, make BioSoc events unmissable.
- #2. Create more consistent visuals/branding across all socials.
- #3. Improve the website, especially its accessibility & visuals.
- #4. Expand BioSoc's reach, towards bio & non-bio students.

What would I bring to this role?

I love graphic design

A poster I designed is on display at the UN headquarters in Vienna!

I've lots of experience

I have worked on public communications for multiple organisations.

I've lots of enthusiasm

If elected, I promise to bring my all.

I'm chronically online

Don't check my screentime.

Make sure to check out my manifesto and the other amazing candidates on the union site
