

VOTE ANNA

FOR BIOSOC'S NEXT SECRETARY

Who tf is Anna?

I'm a second year bio student, I'm from Ireland, and I'm your current publicity officer. In my free time, I love sailing and scuba, I've sailed across the Atlantic twice!

Why would I be a good secretary?

- There's lots of overlap between puboff and sec, so I've already been doing some secretary work while the positions empty, like managing emails and keeping you guys updated in the group chats. I already know I can successfully do this job, I know what to expect and I can hit the ground running!
- I've worked on communications for multiple organisations, including the Save the Iberian Orca campaign and the Sea Turtle Protection Society of Greece, so I'll bring communication and management experience.
- You guys already know that I follow through on my campaign promises, earlier this year I was elected to BioSoc with 70 votes, and so far I've increased our follows by almost 15% and views by over 40k.
- I have EPIC ideas that I will work on as sec that will make BioSoc even EPICER (listed on the next page)

IF ELECTED AS SEC I WILL...
