Bin Liu, Second-year PhD student in Chemistry, standing to build a more connected and supportive PGR community across White City, South Kensington, Silwood Park and beyond.

MY PRIORITIES

Visible & Approachable Representation

So you know who to talk to and feel comfortable speaking up.

Cross-Campus Connection

Bringing together PGR students across White City, South Kensington, Silwood Park, and beyond.

Opportunities to Connect

Building on existing activities and exploring coffee chats, shared socials, and cross-department events.

Support & Opportunities

Making useful information, development opportunities, and student support easier to find.

Working with the RCSU Team

Collaborating closely with the President, VP (Education), VP (Welfare & Wellbeing), and other officers to make sure PGR concerns are heard and follow up.

I would be truly grateful for every vote, and I would be very happy to speak with anyone who would like to have a conversation or a chat.

Vote for connection, inclusion and a stronger PGR voice across FoNS
