PROPOSALS FOR 2024-2025 WSET ACTIVITIES

PROPOSALS FOR 2024-2025 WSET ACTIVITIES

01 NETWORKING OPPORTUNITIES

- Awareness chat with peers and influencers
 - become aware of the obstacles that we encounter as women in SET
 - become stronger, more proactive and more determined in things that we believe that is worth fighting
- Women's Day dinner with club members and alumni

02

JOB PREPARATION

- Introduction to different careers in various fields by alumni and peers from different programs
 - allows people with little knowledge about a certain field to know more about different positions -- what they are and what they do
 - explore the possibility of interdisciplinary
- Workshops about how to get started with preparing for a job
 - How to prepare a CV
 - how to network
 - how to interview

- career panels
- workshop and networking opportunities with companies in various fields
 - especially fields with very few women, such as Electrical and Electronics Engineers (only 7% are women)

PROFESSIONAL EXPERIENCE OPPORTUNITIES

03

04

ACADEMIC COMPETITIONS

- interdisciplinary competitions, such as innovation challenges
- professional competitions
- scholarship/bursary opportunities

WSET VICE PRESIDENT

THANK YOU FOR YOUR SUPPORT!
