

# VOTE JORDAN FOR Deputy President of Welfare

## Mental Health

- **Enhancing proactive mental health** support through learning analytics, better tutor training, and open staff/student discussions.
- **Addressing barriers to mental health** support including stigma, affordability, and cultural barriers.
- **Implementing the Mental Health Strategy** across all campuses and student groups

## Accessibility

- **Ensuring reasonable adjustments** are made for disabled and neurodivergent students.
- Facilitating more alcohol-free social interactions.
- **Advocating for more postgraduate funding** while supporting students' living costs.
- **Supporting university transition**, particularly for working class and neurodivergent individuals.

## Identity

- **Reviewing the Liberation & Community Networks** for optimal representation of Imperial's marginalised groups.
- **Refining the Union's disciplinary procedures** to ensure students can freely express their identity.
