for Co-Heads of Trading of Algo Trading Society

Term I:

- AlgoCourse bootcamp + AlgoCourse - with more accessible progression

Term II:

- Markets 101 - from market fundamentals to real trading mechanics

All-year-round:

- Weekly Quant interview problem-solving sessions
- Regular guest speakers from Quant & S&T across asset classes
- OA, HireVue & interview prep for Quant and S&T applicants led by students with spring week/internship experience from top firms
- Targeted outreach & initiatives to reduce gender gap within society
