

vote jing for mech soc chair!

hi! i'm jing xuan, and i'm running for chair of mech soc!

i'm a ME2 student, and here's what i'll work towards as chair:

1

Career Opportunities!

Find new projects, collaborations. More industry engagement/events (e.g. site visits). Create our own Mech Eng Summer Placements Tracker

2

Community Resources

Updates to MechNet, more senior-junior engagements and support systems! Create FAQs for all modules and compile senior learning points!

3

Recreational Activities!

Accessible, affordable and inclusive activities. Board games, video games and more opportunity to RELAX!

vote for jing!!!!!!!
