

VOTE LILIA

for ICSMSU President

WHO AM I?

I am Lilia, a 4th year medical student, and it is with thoughtful deliberation that I would like to serve as **your next ICSMSU President**. Throughout my time at ICSM, I have benefitted from the wisdom and guidance of our student leaders. Now, I wish to give back to this incredible community by **devoting my next year solely to enhancing the student experience**.

MAIN AIMS

UPHOLD STUDENT REPRESENTATION

1

- Fostering positive collaboration with faculty based on mutual understanding and support.
- Ensure student voice remains a central focus by encouraging student consultation and clear communication of outcomes from meetings.
- Embrace representation as an evolving, inclusive process by closing feedback loops, building strong relationships to instill trust that decisions will benefit students.

EXPANDING FINANCIAL ACCESSIBILITY

2

- Prioritise Financial accessibility to ensure no student misses social or educational events due to financial barriers.
- Collaborate with faculty and alumni networks to lift financial burdens, increase accessibility for placements and events for all students.

FOSTERING INCLUSIVITY & EQUITY

3

- Uphold welfare training standards - fostering an engaging and comprehensive approach which is documented for future sustainability.
- Amplify underrepresented voices through bespoke communities.
- Collaborate with faculty, other medical schools & ICSM to create mentorship schemes, focus on equity and community efforts to drive positive institutional change.

BUILDING A SUPPORTIVE & COMPETENT STUDENTS' UNION

4

- Promote officer confidence, competency, and inter-officer learning.
- Establish clear SU values which underscore the significance of student representation and the importance of inclusivity in decision-making.
- Empower officers with tools and confidence to excel, fostering a culture of encouragement, accountability, and positive change.

Our SU is already immensely accomplished, and I intend to further that legacy by championing an inclusive SU representing all students. Let's work together to make this SU one that stands for positive change and progress.
