PHASE 1B ACADEMIC REP

Hi everyone! I'm Lili and I'd absolutely love to be your academic rep this year. If you're looking for someone who's **friendly, approachable but equally bold and outspoken**, I'm your girl who'll get stuff done!

Here are my main three ideas for year TWO...

T

TRACKING STUDENT CONCERNS: Establish a student-run EdStem forum to raise everyday concerns

W

WORKSHOPS FOR EXAM TECHNIQUE: Strengthen SAQ technique through targeted mentoring from topic leads

O

OPTIMISED TEACHING: Adapt teaching formats to reflect the needs of each topic
