

please vote for me :))

i'm running for academic rep!

this is me (lucy) i'm an international student from hk

stuff i want to do:

advocate for better timetables

- decrease frequency of 9am lectures
- increase break time and quantity

get more first year research and internship opportunities

- increase networking with older years!
- get more info about UROP in first year

increase lecture resource quality

- annotated formula sheets
- condensed lecture ppts
- shared database for collective notes (feel free to ask for mine for now :D)

increase networking with other unis

- learn more about other uni curriculum
- increase career networking opportunities

therapy dog -- life sciences has one;; why don't we?

i will also pass on anything you want to tell
our profs without hesitation !
