

HELLO, MY NAME IS

LEON WANG

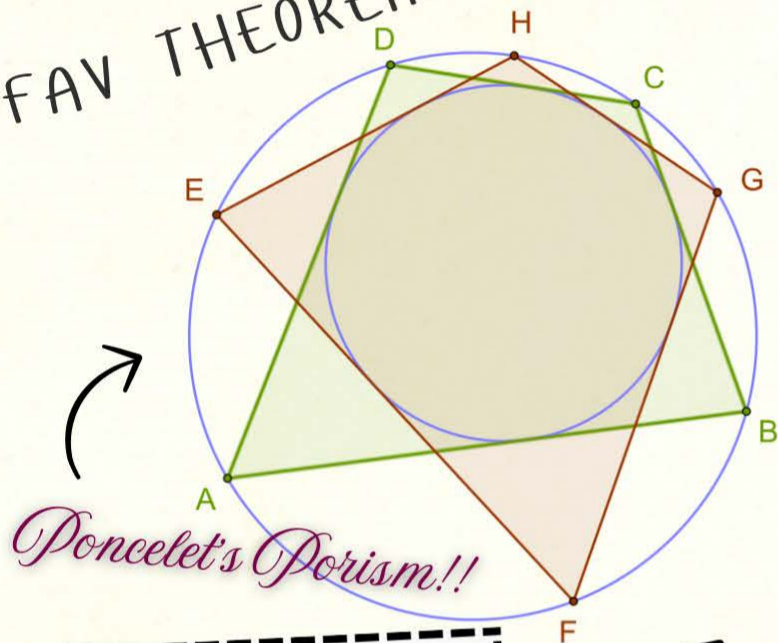

ABOUT ME

- 1st year maths
- Grew up in Melbourne Australia!
- ICSM badminton shuttler
- Japanese-fingerstyle guitarist
- Fav areas in maths: Euclidean and Projective Geometry
- Hollow Knight is the best game ever!!!
- Still does IMO shortlist for fun (trying to make up for not making IMO)
- Fav mathematician: Euler alllll the way

GOALS

- **Freshers Reps:** Introduce the roles of junior executives/ freshers' reps to ICMS
- **Bar crawl but with lecturers!**
- **Weekly activities:** Making sure that something exciting is there for Mathsoc every thurs night: movies/quizzes/word games/board games/ olympiad maths tournaments
- **Bounties:** A system where people can propose problems they created and challenge others to solve and earn credits
- **Collaborations:** Organise more networking events, boat parties, pub nights, picnics with other societies and departments
- **Website:** Oversee regular updates of ICMS website and include a feedback forum for the society for active improvements
- **Careers:** More information for careers options: networking events and industry talks

FAV THEOREM!!

Top 10 best mathematicians

10. You can't
9. Rank them
8. Because the
7. Importance of
6. Their contributions
5. Are
4. Relative to
3. Their respective
2. Fields
1. Leonhard Euler

The GOAT

WHY VOTE FOR ME

- **Cofounded** the maths society and **founded** the linguistics society at my high school, **organised** weekly lectures and meetup for the members - **got experience!!!**
- **Lectured** at Australian IMO training camp and **held** reading groups at maths society at high school, **given** talk at WIMP and Colloquium - **public speaking experience!!!**
- A **work-life-balance** guy so will give everything to bring more activities, fun events and pastoral opportunities for everyone to **enjoy life!!!**
- **Loves** random maths lore and elegant theorems so can approach me with anything you want to talk about and let's all **learn something new everyday!!!**
- **Hoping** to make the IC maths department ever **better** and **more welcoming!!!**
