

VOTE ELEANOR AND MAXINE FOR

SOCIAL SEC !!!

We would love to be your social secs for next year as we are determined to carry on the legacy Diya and Amy left for us. We know the stakes are high, but we believe we can bring the best vibes to the club as we are inventive, fun, and most importantly we dearly love the hockey club!! Knowing the freshers ways, we can't wait to encourage new freshers to join the club, The most important part of us being social secs is to organise smashing socials for you all!!

What you can look forward to if we are social secs:

- ABBA Night 🌐 🕺
- Men in Black 🕶️
- Dress as the first letter of your name 🧑 🧒
- Gender swap for a mixed social 🧑 🧒

And don't worry we have plenty of non-Wednesday night themed socials planned such as; Freshers roller disco, post-varsity bottomless brunch and a chill movie night slumber party!

We would love to be your social secs for next year (even though we have not been to every sports night this year... sorry Amy and Diya!) but we have saved our energy to bring excellent vibes to the club for the 24/25 year 🙄🙄. And most importantly, blondes always have more fun 🧑 🧑
