

Tanishka Chhabra

FOR Y1 ACADEMIC REP!

Tanishka is a Y1 Biological Sciences student with prior experience in public speaking, leading student government, founding a cancer awareness campaign scaled to a lifetime viewership of 2.5M+ impressions, and has worked with multiple cancer charities as a Youth advisor. As Academic Representative, she hopes to advocate for the following:

- Easing students' transition into demanding university academics
- More past papers and practice exam material being made available
- Clearer instructions for coursework requirements and assessments
- A more organised online learning infrastructure
- Open in-person doubt sessions (not just at the end of lectures!)
