The lesser spotted Tansy, 2nd year medic

Hi everyone! my name's tansy :)

I'm running for ICSMSU Academic Officer for Early Years! As a **phase 1b academic rep** I have LOVED being a (hopefully?) friendly face for students and faculty <3

the main reason I'm running is to **ensure everyone feels supported and comfortable coming to us.** medicine can be scary (and so cool) but **approaching ICSMSU and your reps about it shouldn't be !**

see my specific aims below. tysm for considering me <33

ESTABLISH A REP HANDOVER FOR ALL MODULES SO VALUABLE WORK CONTINUES. my fellow reps have done some incredible work and continuity will facilitate change

IMPROVE THE CONSISTENCY BETWEEN FACULTY AND ICSMSU-led CPA TEACHING. (CPA = 2nd year clinical exam.) From my rep work I know the clin skills team is alr interested :)

FACILITATE INTER-YEAR COMMUNICATION AROUND HORIZONS/I-EXPLORE MODULES bc we love (actually) informed decision-making
