

WHY ME

- Current ICSS unofficial secretary with experience in team coordination
- Experienced in contacting aerospace sponsors and industry professionals
- Member of TEDx Imperial sponsorship team securing event partners
- Aerodynamics team member for Imperial Eco-Marathon

INDUSTRY PARTNERSHIP

- Establish official ICSS industry partnerships with companies such as Skyrora, MagDrive, Reaction Engines, Astroscale, Airbus Defence & Space
- Secure annual sponsorship agreements
- Organize company-led talks and technical workshops
- Create direct communication channels for ICSS internships, mentorship, and collaboration

INDUSTRY PROFILE

- Position ICSS as an active student society across the aerospace industry, not just within universities
- Expand ICSS visibility through LinkedIn and media outreach
- Develop clear sponsorship packages for industry partners
- Maintain consistent communication with industry contacts
